DONATE A PRIZE

Donate a prize for the auction or raffle and have your company acknowledged in our official programme

Much of the money raised comes from the raffle and auction, and we would be delighted if you could offer a suitable prize.

This year all money raised will be going towards the Chairman's Community Fund, which has been set up to enable local charities to apply for funding. Smaller charities can often be overlooked, but with the Chairman's Community Fund, they will have the same chance of receiving money to continue their good work as larger ones.
